IMPORTANT CLARIFICATIONS

- Payment of all invoices is respectfully requested within fourteen (14) days from the date of issuance. We appreciate your prompt attention to this matter.
- Cloud Amount (Cloud Amt): Represents the hourly fee payable to the cloud service provider for the execution, processing, and operational delivery of the services rendered.
- Consultant Amount (Consultant Amt): Represents the hourly professional fees payable to the respective consultant for advisory, technical, or implementation services provided.
- Royalties: Represents the hourly intellectual property fee payable to the owner of the proprietary software, systems, or technologies utilised in the development and delivery of the solutions, in accordance with applicable copyright and licensing provisions.
- All fees and charges stated in this invoice are calculated on an hourly basis.

REFUND & SERVICE CONTINUATION CLAUSE

We offer a 100% refund should you find our services unsatisfactory. Additionally, and where applicable, clients may continue accessing selected services at no extra cost. Our aim is fairness, transparency, and client satisfaction.
