

Profile

My name is Tawanda Kakomwe, I recently completed my Advanced level at Solid Rock Boarding School in Domboshava, Zimbabwe where I achieved 12 points at A level. I am passionate to pursue a career in the Data Alytics or Actuarial Science field. I believe my strong mathematical background will offer me a solid foundation to excel in these fields. Additionally, with the way technology is moving I envisage that there will be more opportunities in the foreseeable future hence I want to stay at the forefront of cutting technology.
